Cryptozoology A to Z, the first encyclopedia of its kind, contains nearly two hundred entries, including cryptids (the name given to these unusual beasts), new animal finds, and the explorers and scientists who search for them. Loren Coleman, one of the world's leading cryptozoologists, teams up with Jerome Clark, editor and author of several encyclopedias, to provide these definitive descriptions and many never-before-published drawings and photographs from eyewitnesses' detailed accounts.

Cryptozoology A to Z is an encyclopedia of cryptids, cryptozoologists, and things of that nature. Not long after I first learned to read books on my own, I was super into ghosts, UFOs, and monsters, specifically Bigfoot, Loch Ness Monster, and the like. When you're young, the world is huge and there's still room in it for dinosaurs and such.

Cryptozoologicon is a celebration of the myths, legends, evolution and biology of hidden animals. Always skeptical, but always willing to indulge in speculative fun, Cryptozoologicon aims to provide two new ways to approach cryptozoology: as fictional biology and as modern day folklore. "For each cryptid, our entries consist of three sections. We consider it important that people understand ...

Cryptozoology (kryptos - Greek for "hidden" + zoology - "the study of animals = "the study of hidden animals") is a pseudoscience which revolves around the study of and search for animals whose existence have not been verified by the scientific community. Cryptozoological animals are referred to as cryptids, a term coined by John Wall in 1983.¹ This includes animals which were originally ...

[Cryptozoology | Definition of Cryptozoology at Dictionary.com](#)

Cryptozoology, therefore, refers to the scientific study of hidden animals. In other words, cryptozoology is the study of animals whose existence has not been confirmed by the larger scientific community. Cryptozoologists, those who work in the field of cryptozoology, research claimed sightings and folk legends of these hidden animals, and ...
